Function Name	Input Parameters	Output (Return) of the Function	Description	Team Member Name
main_menu	-timer_page: button -pomodoro_page: button -stopwatch_page: button	-timer_page (function) -pomodoro_page (function) -stopwatch_page (function)	This function displays the main menu. The user can choose which mode to use (timer, pomodoro, stopwatch) and the function directs them to page.	Malak Nabil
timer_page	-user_time: user inputs time for countdown timer -start_timer: button -stop_timer: button -pause_timer: button -resume_timer: button -back-menu: button	-countdown timer -start_timer (function) -stop_timer (function) - reset_timer (function) -main_menu (function)	This function displays the timer menu and allows the user to input the countdown time	Nour Walid
user-time	(HH:MM:SS) user inputs time in this format	No output	This function allows user to input the time for the countdown timer	Nour Walid
start_timer	No input	Displays the countdown timer	This function starts the countdown timer	Nour Walid
stop_timer	No input	Exits the countdown timer	This function allows the user to exit/cancel the ongoing timer	Nour Walid

pause_timer	No input	Prints the time the user paused at	Prints the time the user paused at	Nour Walid
pause_timer	No input	Prints the time the user paused at	This function allows the user to pause the countdown timer	Nour Walid
stopwatch_page	-start_stopwatch: button -stop_stopwatch: Button -reset_stopwatch: button -back-menu: button	-start_stopwatch (function) -stop_stopwatch (function) -reset_stopwatch (function) -main_menu (function)	This function displays the stopwatch menu	Sara Hassan
start_stopwatch	No input	Displays stopwatch timer	This function starts the stopwatch timer	Sara Hassan
stop_stopwatch	No input	Prints the time the user stopped at	This function pauses the stopwatch timer	Sara Hassan
lap_stopwatch	No input	Prints elapsed time	This function shows the elapsed time of the previous lap in the stopwatch	Sara Hassan
reset_stopwatch	No input	Prints 00:00:00	This function resets the stopwatch timer	Sara Hassan
pomodoro_page	-start_pomodoro: button -stop_pomodoro: Button -reset_pomodoro: button -back-menu: button	-start_pomodoro (function) -stop_ pomodoro (function) - reset_ pomodoro (function) -main_menu (function)	This function displays the pomodoro timer menu	Malak Nabil
start_pomodoro	No input	Displays pomodoro countdown	This function starts the pomodoro countdown	Malak Nabil
stop_pomodoro	No input	Prints the time the user stopped at	This function pauses the pomodoro countdown	Malak Nabil

reset_pomodoro	No input	Prints 00:00:00	This function resets the pomodoro countdown	Malak Nabil
